

FIND YOUR FAMILY ROOTS

"Every man is a quotation from all his ancestors." (Ralph Waldo Emerson)

Would you like to know where you come from? Would you like to find and explore your family roots? With the help of the history teacher we can assist you with that.

What we can do for you:

- ❖ research and production of a genealogy for yourself or as a gift for people who are close to you;
- ❖ research and production of a family tree for yourself or as a gift for people who are close to you.

All we need is a name, surname, place and date of birth of an individual, all other information we will gather by ourselves in archbishop's archives or in the archive of the republic of Slovenia.

PRICE LIST

First research package 80 € + travel expenses from Ljubljana

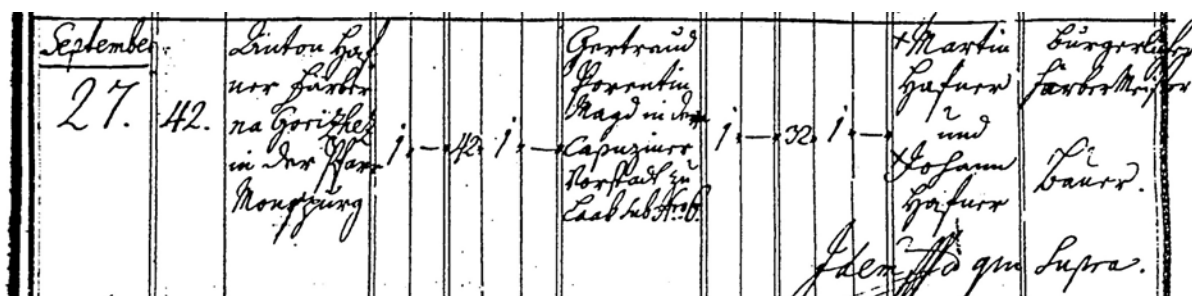

Research in archives: 15 € / hour

Travel expenses: 0,37 € / km

Artistic representation of a family tree (optional): 300 €

Guided tour / trip to the hometown of your family member/ friend: upon request

First research package includes a 4 hour research in an archive, a report that includes all the information that were found and also a suggestion how to continue. The research will be carried out depending on available sources, especially baptist and birth registers, wedding registers, register of deaths and parish family books. We will do our best to provide you with your entire family history, but unfortunately sometimes it happens that family history is not shown in full due to the missing data sources or if the sources have been destroyed, damaged, lost or if some of them do not exist. During the research we will inform you about the research progress and will introduce you with the results. For more genuine experience of your family roots, we can organize a guided tour or a trip to the hometown of your family member or friend.
